NJ ASK Test 2010 Summary

A. 2010 District Results-

The following charts show the NJASK scores for our total student population by grade level. The school comparison data shows the performance levels of each building in relation to the total district score at each grade level.

This information will be presented to the administrative team as well as our teaching staff to promote instructional dialogue focusing upon improving student achievement.

	3 rd Grade Language Arts/ Literacy				Mathematics			
	PP	P	AP	Total Passing	PP	P	AP	Total Passing
CC	27.3%	64.6%	8.1%	72.7%	12.1%	42.4%	45.5%	87.9%
